

June 07-09, 2023

VII RUSSIAN CONGRESS ON MEDICAL MICROBIOLOGY, CLINICAL MYCOLOGY AND IMMUNOLOGY

X Russian-Chinese conference on medical microbiology,
immunology and pharmacology

XXVI KASHKIN READINGS

Order of the Ministry of Health of Russian Federation dated 29.12.2022 № 818 Saint-Petersburg

INVITATION LETTER

Dear colleagues, we are pleased to invite you to the congress!

Format: offline and online (<https://microbiology-online.ru/en>)

Venue: Hotel “Saint Petersburg”, 5/2, Pirogovskaya Embankment, Saint Petersburg, Russia.

Main topics of the Congress:

1. The role of reference centers in ensuring the biological safety of the Russian Federation
2. Medical microbiologist training at the present stage
3. WHO fungal and bacterial priority pathogens list
4. Antimicrobial resistance of bacteria, fungi, viruses and protozoa
5. Medical mycology 2023: mycoses, fungal allergy and mycotoxicoses
6. Vaccine-controlled bacterial infections
7. Healthcare-associated infections
8. Best practices in prophylaxis, diagnosis and treatment of infectious and parasitic diseases
9. New and re-emerging infections
10. Bacteriophages in the treatment of infections: prospects and current opportunities.
11. The role of microbiota in infectious and non-infectious diseases
12. Innovative methods of treatment of chronic dermatoses
13. Bacterial, viral, fungal and parasitic diseases of skin and mucous membranes
14. New global recommendations for the diagnosis and treatment of cryptococcosis (2023), developed with the participation of an expert of the Mycological Reference Center of the Ministry of Health of Russia
15. Genomics, proteomics and metabolomics: from science to practice.
16. Experimental research in the field of medical microbiology.

The Congress includes:

- X Russian-Chinese conference on medical microbiology, immunology and pharmacology (in cooperation with the Association of Sino-Russian Medical Universities);
- Meeting of the Federal Teaching Methodological Association (FTMA) «Health Sciences and Preventive Medicine»; section on medical microbiology (in memory of Prof. A.R. Mavzyutov);
- Conference on medical microbiology;
- Conference on dermatology and venereology. Session of the Head Specialist in dermatology, venereology and cosmetology of the St. Petersburg Government Health Committee;
- Conference on clinical mycology, immunology and allergy;

- Expert meeting of the Head specialist for clinical microbiology and antimicrobial resistance of North-Western Federal Region of the Russian Federation;
- Scientific conference «Genetic technologies in the diagnosis of infectious diseases» for students and young scientists (up to 39 years old);
- The Contest of scientific research of young scientists and students.

Documentation of educational activities will be submitted to the Commission on the Evaluation of Training Activities and Materials for continuing medical and pharmaceutical education (CME).

SUBMISSION deadlines:

▪ Oral presentation	March 15, 2023
▪ Poster presentation	
▪ Abstracts	
▪ Contest of scientific research of young scientists and students	

Organizing Committee: mycocongress@szgmu.ru

PROGRAMME OF THE CONGRESS

JUNE 07, 2023, WEDNESDAY		
Moscow time	Beijing time	GRAND OPENING OF THE CONGRESS AND XXVI KASHKIN READINGS
10:45 – 11:15	15:45 – 16:15	Greetings
		Ministry of Health of the Russian Federation
		Rector of the North-Western State Medical University named after I.I. Mechnikov
		Consulate-General of People's Republic of China in St. Petersburg
		Russian-Chinese Association of Medical Universities
		Harbin Medical University
		Chief freelance specialist of the Ministry of Health of the Russian Federation for Clinical Microbiology and Antimicrobial Resistance
		Health Committee of St. Petersburg

11:15 – 14:00	16:15 – 19:00	<p>X RUSSIAN-CHINESE CONFERENCE ON MEDICAL MICROBIOLOGY, IMMUNOLOGY AND PHARMACOLOGY.</p> <p>Held under the auspices of the Russian-Chinese Association of Medical Universities (RCAMU)</p>
	Moderators:	<p>Volkov Alexey Alexandrovich (Russia) Vasilyeva Natalia Vsevolodovna (Russia) Zhang Feng-Min (People's Republic of China) Sidorenko Sergey Vladimirovich (Russia) Kozlov Roman Sergeyeovich (Russia)</p>
		<p>PLENARY SESSION</p> <p>Priority bacterial and fungal pathogens: focus on resistance</p>
11:15 - 11:30	16:15 - 16:30	<p>The role of reference centers in ensuring the biological safety of the Russian Federation</p> <p>Volkov Alexey Alexandrovich (Moscow, Ministry of Health of Russia) 15 min.</p>
11:30 – 11:55	16:30 – 16:55	<p>WHO priority fungal pathogens: global and national tasks</p> <p>Vasilyeva Natalia Vsevolodovna* (Saint Petersburg, Russia) 25 min.</p>
11:55 – 12:20	16:55 – 17:20	<p>AMR Containment with One Health Strategy in China</p> <p>Yonghong Xiao * (China) 25 min.</p>
12:20 – 12:45	17:20 – 17:45	<p>Digital solutions in the control of antimicrobial resistance</p> <p>Kozlov Roman Sergeyeovich (Smolensk, Russia) 25 min.</p>
12:45 – 13:10	17:45 – 18:10	<p>Antibiotic resistance</p> <p>Dr. Guobao Tian (China) 25 min.</p>
13:10 – 13:35	18:10 – 18:35	<p>Strategies of microorganisms to counteract antimicrobials: what besides resistance?</p> <p>Sidorenko Sergey Vladimirovich (St. Petersburg, Russia) 25 min.</p>
13:35 – 14:00	18:35 – 19:00	<p>The Role and Mechanisms of Mobile Genetic Elements in the Emergence and Dissemination of Multidrug-Resistant and Hypervirulent <i>Klebsiella pneumoniae</i></p> <p>Dr. Ying Zhou (China) 25 min.</p>
