

RUSSIAN CONGRESS on medical microbiology, epidemiology, clinical mycology and immunology **XXIII KASKIN'S READINGS**

Order of the Ministry of Health of Russian Federation dated 20.02.2020 №109

INVITATION

Dear colleagues, we are pleased to invite you to the congress!

Dates: 9-11 November, 2020

Venue: hotel «Saint Petersburg» (Pirogovskaya Embankment 5/2, Saint Petersburg, Russia)

Main topics of the Congress:

1. A new specialty in the Russian Federation – medical microbiology (Order of the Ministry of Health of the Russian Federation № 996H December 9, 2019): tasks and development prospects.
2. Actual problems of medical microbiology (bacteriology, virology, mycology, parasitology).
3. New biohazards and biosafety.
4. Antimicrobial resistance of infectious pathogens – a global problem.
5. Medical mycology 2020: mycoses, mycoallergoses, mycotoxicoses.
6. Epidemiology of infectious and non-infectious diseases.
7. Dermatovenereology in the XXI century: scientific achievements and their practical implementation.
8. Immunological aspects of infectious and non-infectious diseases.
9. Achievements in basic and applied research in the field of microbial human ecology.
10. Biological risks of the combined action of pathogenic biological agents and environmental chemical pollutants.
11. The role of microbiome in infectious and non-infectious diseases.
12. Probiotics, synbiotics, prebiotics, metabiotics.
13. Modern antimicrobial agents and disinfectants.
14. Innovative methods, technologies, prophylaxis, diagnosis and treatment of infectious diseases.
15. New clinical and methodological recommendations.
16. Modern microbiology laboratory.
17. Training in medical microbiology and epidemiology.

The Congress includes:

- Conference on clinical mycology, immunology and allergy (XXIII Kashkin's Readings).
- Conference «Topical issues of the epidemiology of infectious and non-infectious diseases».
- Enlarged meeting of the Federal Teaching Methodological Association (FTMA) «Health Sciences and Preventive Medicine».
- Session of the Head Specialist in dermatology, venerology and cosmetology of the St. Petersburg Government Health Committee.
- Session of the Head Specialist in epidemiology of the Ministry of Health of the Russian Federation.
- The Contest of scientific research of young scientists and students.

Scientific sessions will be declared for accreditation as educational activities in the system of continuing medical and pharmaceutical education.

DEADLINES:

▪ Oral presentation or poster submission	1 March, 2020
Speakers Guidelines – http://mycology.szgmu.ru/speakers2020-eng Posters Guidelines – http://mycology.szgmu.ru/poster2020-eng The decision to include the oral presentation in the scientific program will be made by the Congress Program Committee on the basis of an assessment by reviewers no later than 1 April, 2020	
▪ Abstracts submission	1 March, 2020
Abstracts Guidelines – http://mycology.szgmu.ru/abstracts2020-eng Abstracts will be published in the journal «Problems in Medical Mycology» (included in the List of leading reviewed scientific journals and editions and Russian Science Citation Index). Printing fee for one abstract is 700 Russian rubles (without fee – students, residents, postgraduate students and participants of the Contest of scientific research of young scientists and students).	
▪ Applying for the Contest of scientific research of young scientists and students	1 March, 2020
Contest Guidelines – http://mycology.szgmu.ru/contest2020-eng	
▪ Admission to all scientific sessions	22 October, 2020
